How to Use This Index

This index represents a topical categorization of all Case Developments, Advance Sheet Highlights, articles, columns, and Federal Register Highlights that have been reported in the *Clearinghouse Review* during its 19th volume year, May 1985 through April 1986.

The Casetable lists all cases reported in either the Case Developments or Advance Sheet Highlights sections of the *Review* in alphabetical order. For each case, the following information is provided: the Clearinghouse Number, in brackets; the Accession Number(s), in numerical order; any case citations or date of decision, reported with the most recent citation last; and the page number(s) of the *Review* on which the case appears.

The Topical Index classifies all cases reported in the Case Developments and Advance Sheet Highlights sections of the *Review*. Most headings contain *see* and *see also* references directing readers to other major subject headings for information on that topic. Within each major heading, the cases listed are divided into subtopics, often spanning two or more levels of categories representing the most specific issues covered by that case.

Users are advised to search the categorical sections, and then to refer to the Casetable for more detailed information.

The Articles and Columns sections of this index list articles and columns published in the *Review* by author name and by topic. The Federal Register Highlights section lists items under major headings only. Items are listed alphabetically within each category and include the page numbers on which the items appear.

For comprehensive research, readers are advised to use this index in conjunction with the Cumulative Index to volumes 1-17 of the *Clearinghouse Review* and the volume 18 Annual Index.

ACKNOWLEDGMENTS

The Clearinghouse is pleased to publish the Annual Index to Volume 19. Readers are reminded to use this Index in conjunction with the Cumulative Index to Volumes 1-17, the Volume 18 Annual Index, and the LSC Data Base maintained on the Lexis and Westlaw computer systems for comprehensive research into Clearinghouse case files.

Editorial work on the index is done at the Clearinghouse and is a year-round project, supervised by Index Editor, Michelle Nicolet, who also does much of the indexing work herself, as well as copy editing for the *Review* and other Clearinghouse publications. Special thanks are due to Michelle for her work as Index Editor.

Thanks are also due to secretary, Vicki Broom, for typing index entries into the Clearinghouse computer; to assistant librarian, Kelly Warnken, for editing and cite checking; to law clerk, Sherry McFall for editorial assistance and final cleanup; to law clerk, Joan Kashycke for other editorial assistance; and to Pamela Alires for proofreading, production, layout, and cover design as well as helping with the final cleanup. We also appreciate the efforts of the rest of the Clearinghouse staff who made suggestions and helped in other ways.

Michelle has already begun work on the Volume 20 Index. We view our annual indexes as crucial to your legal research, and they make all the monthly issues more useful. If you have suggestions and comments on ways to improve the Index, please write or call.

CASETABLE

This is an alphabetical listing by case name of cases that have appeared in the Clearinghouse Review for the period covered by this index. The five-digit bracketed numbers are the Clearinghouse Numbers and must accompany all document reprint requests. The seven-digit numbers are the Accession Numbers (Acc. No.), identifying codes for materials in the LSC Data Base and in the Clearinghouse microfiche library. A case may have more than one Accession Number; new numbers are assigned to a case as new pleadings become available to the Clearinghouse. The LSC Data Base is available to legal services attorneys only. The Clearinghouse microfiche file is now available to non-LSC-funded attorneys; for more information contact Bob Serafin at the Clearinghouse. Official citations to cases listed in the Casetable are current as of mid-June 1986.
